

Backpack Coolers Collection ❄️

Woodland Cooler Backpack WBA-WD23

The Woodland has a generous capacity for food and drinks and it's convenient to carry over the shoulder when hiking a distance to the camp!

- Heathered 600D water-resistant polyester
- Large zippered, waterproof PEVA-lined main compartment
- Dual side mesh pockets for water bottles or umbrella
- Large zippered front pocket with inside pouch
- Vertical zippered pocket on front for additional storage
- Shoulder straps are padded and adjustable for added comfort

Pathfinder Insulated Cooler Backpack WBA-PF23

The insulated Pathfinder is deep and spacious with enough room to carry protein bars, beverages, and other snacks during a long day at the beach, a hiking or camping trip, and other outdoor pursuits!

- Sleek, tapered top design
- Constructed of 600D water-resistant polyester
- Large zippered front pocket with reflective trim
- Comfortable padded adjustable shoulder straps

Journey Cooler Backpack WBA-JC12

The Journey is a dual purpose, light weight backpack to carry dry items in upper compartment and cold items in the lower insulated compartment. It is easy to carry over the shoulder and can be folded for compact storage until the next adventure.

- Upper compartment with drawstring closure and flap
- Insulated lower compartment with dual zipper closure
- Front pocket with hook-and-loop closure
- Adjustable shoulder straps
- Can capacity: 6 cans
