

# How Does it Work?

## Place Order on Any Products

You are not limited to the type of product. Every order placed is contributing!

Choose swaps that are eco-friendlier, reusables, recycled materials, everyday essentials or more from a variety of available products, EVERY order placed results in a donation!

## \$1 per Order Placed to Charities We Partner With!

Let us do the paperwork to give you more time to focus on your clients and projects.

Rest assured knowing that our high quality products and professional services will meet your project needs, including participation in our give back program.

## Over \$60K in Support Per Year

With the donation per order, these charities can save our environment, protect animals, and continue helping our future generations.

Throughout the year we are all working together to help support a healthier and stronger community to live in.

## Make an impact with each order
