ULTRA PERFORMANCE FABRIC

WE DO THE DIRTY WORK

Waffle Towels

(350GSM)

View More

Ultra performance microfiber towel with hemmed edge is made of 88% polyester and 12% polyamide blend. It easily folds up, fits in any bag, dries faster than a standard cotton towel and is great for the gym, golf, yoga and more!

Features:

- Dries faster than a standard cotton towel
- Incredibly lightweight and super-absorbent
- Easily folds up and fits in any bag
- Machine washable
