

Jasper 27 oz Recycled Aluminum Bottle

DBT-JP26

Congratulations on your new distinctive drinkware!

On-trend, eco-friendly bottle made using 100% recycled aluminum with a stylish strap-woven lid.

To properly care for your bottle, please follow these easy-care instructions to enhance your enjoyment.

- Wash all parts in warm soapy water before using. Do not use cleansers with bleach or chlorine to clean this product.
- Water may get inside the lid through the woven webbing when cleaning. Keep the lid upside down to dry completely when not using.
- Lid is top rack dishwasher safe. Keep the lid upside down inside the dishwasher. Vessel is hand wash only.
- Do not over fill. Always ensure the lid is fastened securely before drinking.
- This product is not for use in a microwave oven.
- Always point cap away from people and from yourself when opening.
- To prevent burns, do not fill this single-wall constructed bottle with hot liquids, as the uninsulated exterior will quickly become too hot to safely handle.
- BPA Free
