

Kavala 25 oz Dual-opening Eco-Friendly Recycled Stainless Steel Bottle

DBT-KV26

Congratulations on your new distinctive drinkware!

Bottle is made of 91% recycled stainless steel. It is durable, environmentally sustainable, and recyclable.

To properly care for your bottle, please follow these easy-care instructions to enhance your enjoyment.

- Wash all parts in warm soapy water before using. Do not use cleansers with bleach or chlorine to clean this product.
- Do not over fill. Always ensure all parts are fastened securely before drinking.
- This product is not for use in a microwave oven and is not dishwasher safe. Recommended to hand wash only.
- Always point cap away from people and from yourself when opening.
- This single-wall constructed bottle is not intended for use with hot liquids.
- To prevent burns, do not fill this bottle with hot liquids, as the uninsulated exterior will quickly become too hot to safely handle.
- BPA Free.
