

Lowa 25 oz Eco-Friendly Recycled Stainless Steel Bike Bottle

DBT-LW26

Congratulations on your new distinctive drinkware!

Bottle is made of 91% recycled stainless steel. It is durable, environmentally sustainable, and recyclable.

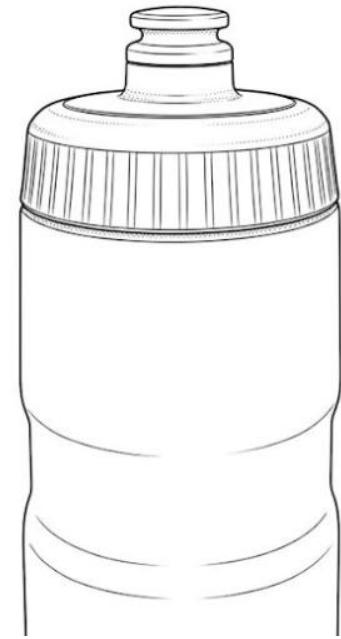

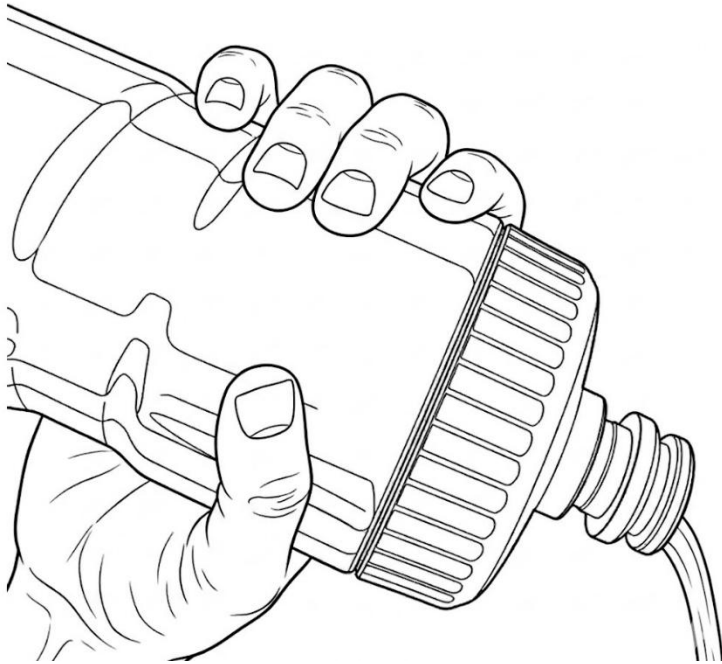

To properly care for your bottle, please follow these easy-care instructions to enhance your enjoyment.

- Wash all parts in warm soapy water before using. Do not use cleansers with bleach or chlorine to clean this product.
- Do not over fill. Always ensure the lid is fastened securely before drinking.
- Lid is top rack dishwasher safe.
- Product vessel is not for use in a microwave oven and is not dishwasher safe. Recommended to hand wash only.
- Always point cap away from people and from yourself when opening.
- This single-wall constructed bottle is not intended for use with hot liquids.
- To prevent burns, do not fill this bottle with hot liquids, as the uninsulated exterior will quickly become too hot to safely handle.
- BPA free.

Continued.....

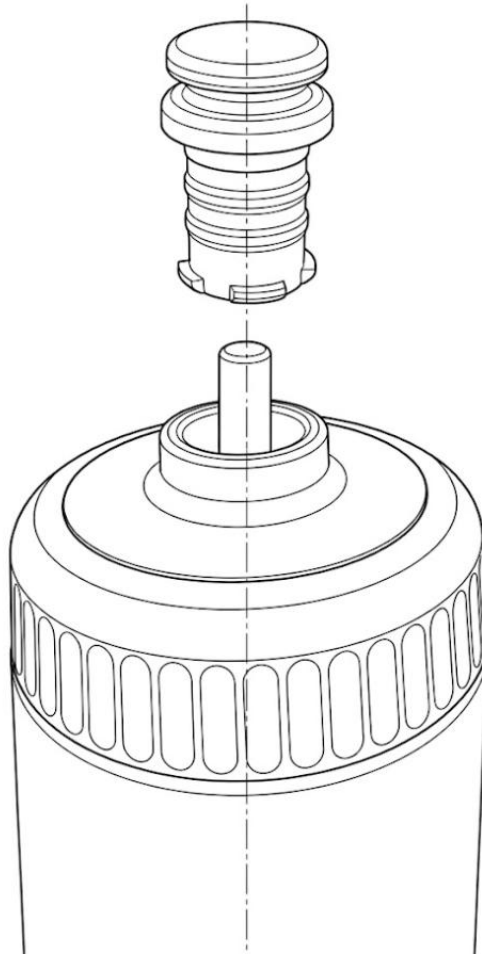

Following the instructions below for usage.

- Closed.

- Pull up the top nozzle closure, grab the bottle slantwise for smooth chugging, no squeeze.
- Grab the bottle slantwise, enjoy the high-flow when sipping from the nozzle directly.

- Lid is top rack dishwasher safe. Top nozzle can be pulled off for easy cleaning. When installing the top nozzle back, please push it hard and twist it slightly to ensure the nozzle is locked tightly.
