

## INSTRUCTIONS FOR USE:

DTM-CV18

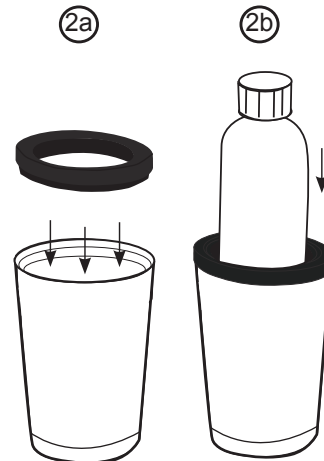

### 1) Regular Tumbler:

To use as regular tumbler, attach clear sip-thru lid.

### 2) Insulated Beverage Holder:

To use as an insulated beverage holder, attach ring cap first, then insert bottle or can.

## CONGRATULATIONS! HERE ARE A FEW TIPS TO ENHANCE YOUR ENJOYMENT OF YOUR NEW STAINLESS STEEL DRINKWARE

- ☆ Wash all parts in warm soapy water before using.
- ☆ Please secure the lid firmly before use.
- ☆ This item was designed to keep liquids hot or cold for an extended amount of time.
- ☆ When drinking hot liquids, please allow to cool to a drinkable temperature before securing the lid.
- ☆ This item may include a lid that is either press on or screw-on. Be careful when securing either lid as liquid may escape through the drink opening. Always check to make sure your lid is secured before drinking.
- ☆ Do not microwave.
- ☆ Hand wash only.
- ☆ Do not use bleach or cleaners containing chlorine to clean.
- ☆ Do not overfill. Hot liquids can scald the user.
- ☆ Caution: Hot liquids will increase temperature of exterior wall.
- ☆ This item is NOT intended for children under the age of 12.
