

360 Nordic 16 oz Eco-Friendly Speckled Leak Proof Vacuum Tumbler

DTM-NR26

Congratulations on your new distinctive drinkware!

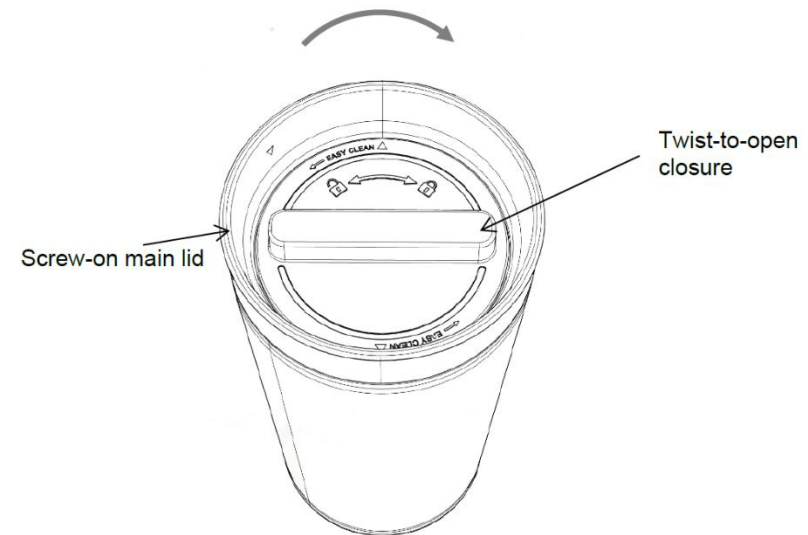

Here are a few helpful tips to enhance your enjoyment.

- Wash all parts in warm soapy water before using. Do not use cleansers with bleach or chlorine to clean this product.
- Lid is uniquely designed for easy disassembling and cleaning.
- Lid is top rack dishwasher safe. Tumbler itself is not for use in a microwave oven and is not dishwasher safe. Recommended to hand wash only.
- This product is able to keep liquids hot or cold for a considerable period of time.
- Please allow hot liquids to cool down to a drinkable temperature before securing lid.
- Do not over fill. Liquid may escape through the drinking hole when fastening the lid.
- Always ensure the lid is fastened securely before drinking.
- When filled with hot liquids, keep out of reach of children.
- Not for use with carbonated beverages.

Continued...

Following the instructions below for usage and clean.

- i. Rotate the closure to the right tightly to lock.

- ii. To adjust the volume, simply turn the closure. The further left you rotate it, the greater the water flow will be.

- iii. Continue to rotate the closure to the left until the click sound. The closure part can be disassembled from the main lid for easy-cleaning.

- iv. Place the closure part back to the main lid, then rotate it to the right to get it locked.
