Scented Candle - Apple

SAFETY:

Never leave a burning candle unattended. Burn candle out of reach of children and pets. Do not place near fire, flame or heat. Do not burn candle on or near anything that can catch fire. The container may get hot during use, never move candle while lit or before wax hardens. Never allow candle to continue burning if the flame becomes enlarged. Keep the wax pool clear of matches and other debris to avoid flaring. If scalded, rinse immediately with plenty of cold water and seek medical advice.
