

ESPRIT HAIR CARE SPA KIT WHF-ES25

This Hair Care Spa Kit allows for maximum comfort! The perfect spa sets!

INCLUDES:

- 1 pc Flannel spa headband
- 2 pcs Flannel wrist band
- 1 pc Waffle hair turbine

SPA HEADBAND

- Use this headband for pushing hair away from your face while doing your skincare or beauty routine
- Plush and gentle on skin and hair
- Keeps hair dry and pulled back
- One size fits most

Material: 100% Polyester

HOW TO USE:

- Step 1: Pull the hair back and put the headband onto your head.
- Step 2: Wash your face as normal.
- Step 3: After washing your face, remove the headband, wring it out and let it air dry.

Hand wash recommended

WRISTBANDS

- The fluffy spa Wristbands work to keep the water from dripping down your arms
- Plush and comfortable to wear
- Absorbs running water as you wash your face
- Keeps your arms and countertops dry
- One size fits most

Material: 100% Polyester

HOW TO USE:

- Step 1: Put the wristbands onto your wrists.
- Step 2: Wash your face as normal.
- Step 3: After washing your face, remove the wristbands, wring them out and let them air dry.

Hand wash recommended

HAIR TURBAN

- Stop wasting time drying your hair
- Super absorbent polyester
- Twist and loop system
- One size fits most

Material: 88% Polyester, 12% polyamide

HOW TO USE:

- Step 1: Bend forward your head and let your hair flow down naturally.
- Step 2: Put on the magic hair turban and twist around the hair.
- Step 3: Fold back the magic hair turban button up at the hair. DONE!
